## Catena Cabernet Sauvignon 2021

### WINE DESCRIPTION

The Catena wines are a special assemblage of high-altitude estate vineyards made by fourth generation vintner, Laura Catena and chief winemaker, Alejandro Vigil. From decades of study and exploration within Mendoza's high-altitude mountain terroirs, the Catena family has identified special locations for its estate vineyards. The Cabernet Sauvignon is a blend of four vineyards. Each vineyard is divided into lots, which are harvested at different times. From the La Pirámide Vineyard in the Agrelo district of Luján de Cuyo come grapes with classic aromas and flavors of black currant and cassis with ripe, sweet tannins. The Domingo Vineyard in the Villa Bastías district of Tupungato contributes grapes with spicy aromatics and peppery notes on the palate. The grapes grown in the Nicasia Vineyard located in Altamira in the La Consulta district of San Carlos provide finely grained and sweet tannins to the wine. And the very high-altitude Adrianna Vineyard in the Gualtallary district of Tupungato produces grapes with notes of eucalyptus, a pronounced minerality, and firm tannins.

### TASTING NOTES

The Catena Cabernet Sauvignon shows a dark ruby color with violet tones. On the nose, it offers intense aromas of ripe raspberries and cassis with notes of pepper, clove, and a touch of cedar. On the palate, it is full-bodied and rich and displays layers of black currant and black raspberry with notes of cedar and oregano. This Cabernet Sauvignon is an elegant wine with silky tannins that provide structure and a long and persistent finish.
