## Cousiño-Macul Antiguas Reservas Cabernet Sauvignon 2015

### WINE DESCRIPTION

Since the debut in 1927, Antiguas Reservas has always been a limited selection of the very best Cabernet Sauvignon from the Cousiño-Macul estate vineyards. Over the years, Cousiño-Macul has maintained its classic style by combining New World ripeness with Old World elegance, finesse and a framework to age long and well.

Season 2014-2015 had the highest temperatures and least amount of frosts in the last 3 years. It's main characteristics was the absence of rainfalls during the flowering and harvest period, giving us very healthy grapes to work with. High temperatures got our grapes faster to the optimal ripening, giving to our wines a discreet acidity, structured tannins and higher aromatic intensity.

After a careful manual harvest and careful selection in the cellar, elaboration of the wine began with seven days of cold maceration at 10 °C (50°F). Then the juice was fermented during 9 to 10 days at an average temperature of 26 °C (78.8 °F), using different yeast strains. A 20 days post fermentative maceration allowed enhancing the flavors and bouquet, as well as smoothing the tannins. The wine matured in French oak barrels during twelve months while the malolactic fermentation went through.

### TASTING NOTES

Intense and bright ruby red color. With aromas of red fruits such as strawberry, cherries and blackberries giving way to menthol touches of eucalyptus ending with notes of wood acquired in the maturation process. On the palate, it is an elegant wine with good structure, with medium-high acidity, soft and persistent tannins and a medium-long finish.

### FOOD PAIRING

This wine is ideal for pairing with medium to high intensity preparations. An excellent complement to meats, such as stewed Angus in a cabernet reduction and vegetables or a roasted strip with rustic puree.
