

## PRODUCER PROFILE

Winery production: 420,000 Bottles Region: Marlborough Country: New Zealand

# Ponga Sauvignon Blanc 2019

#### WINE DESCRIPTION

For the casual wine drinker who seeks adventure, excitement, and knowledge through wine, Ponga is a bold, expressive New Zealand Sauvignon Blanc that shines through in category of traditional brand concepts, acting as a beacon for adventure, much like glowing underside of the Ponga fern used by natives to guide their path through this country's mystical wilderness. Unlike other New Zealand Sauvignon Blanc brands that are either traditional estates or generic brand concepts, Ponga offers a unique path to discovery of New Zealand's wild side.

The grapes are picked cool and pressed. Fermentation takes place in stainless steel vessels at 15° Celcius to 19° Celcius to target fresh and fruit forward flavours. There is no malolactic fermention and the wine bottled early to retain its primary characteristics.

#### TASTING NOTES

Pale straw in appearance with brilliant clarity. Vibrant aromas of ripe citrus and tropical fruits on the nose lead into a refreshing palate full of white peach and grapefruit. The crisp and clean aromas are accented with chalky, mineral tones. A vibrant wine with great acid backbone and a deliciously satisfying finish.

#### FOOD PAIRING

Enjoy with a wide variety of seafood, especially Pacific oysters on the half-shell, or simply as a brilliant aperitif.

## VINEYARD & PRODUCTION INFO

Soil composition: Stony, Clay-Loam, and Silty-Loam

Training method: VSP
Vines/acre: 900
First vintage of this wine: 2008
